### Lesson Forty (40)

## **Major Signs of Qiyamah**

### **Smoke**

After the death of Sayyidina Isa, once again ignorance will slowly begin to spread throughout the world. Then a specific type of smoke will begin to spread from the skies and it will spread over the earth. This smoke will create darkness throughout the world. It will last forty days.

### **The rising of the sun from the west**

After the spreading of the smoke the eleventh night of Dhul Hijjah (last month of Islamic Calendar) will be very long. The following day the sun will rise from the west with a very pale light. The sun will rise but before reaching its usual height it will begin to set again. After the sun will rise from the east as usual. Once the sun rises from the west the doors of forgiveness will close. From then on, nobody will be granted forgiveness.

## **Lesson Forty-One (41)**

It will make a shining mark on the foreheads of Muslims with the staff and a black mark on the foreheads of the Kuffar with the ring. Now Islam and kufr will become distinguished. This sign will never change. This way the Muslims will become distinguished from the non-Muslims.

## **Lesson Forty-Two (42)**

### **Major Signs of Qiyamah**

#### **Qiyamah**

No Muslims will remain at all. There will be kufr everywhere. People will be busy in their own work. Suddenly, Qiyamah will be established. Allah Almighty will order Sayyidina Israfil to blow the trumpet. He will comply. At first, the sound of the trumpet will be low. It will gradually increase. Until finally, it will become horrifying. Everyone will fall unconscious (faint) and then die.

An enormous (big) earthquake will shake the earth. Mountains will float in the sky like carded cotton. The sun, moon and stars will all perish and become lightless. Everything in existence will become non-existent. Nothing will exist except Allah Almighty. On that day Allah Almighty will say:  
For whom is the Kingdom today?  
Allah Almighty then Himself will answer:  
“It is for non but Allah Almighty, The only One, The Destroyer.”

## **Lesson Forty-Three (43)**

### **Major Signs of Qiyamah**

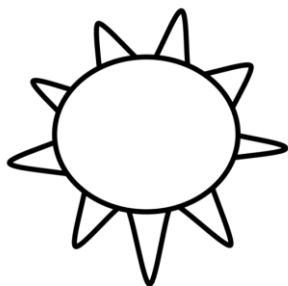

#### **Resurrection**

Almighty Allah will revive Sayyidina Israfil and restore the trumpet, which will be blown again. After its blowing, everyone will re-exist. First of all our beloved Prophet (may Allah bless him and grant him peace) will come out from his grave holding the hands Sayyidina Abu Bakr in his right hand and Sayyidina Umar in his other right.<sup>1</sup>

All of mankind will go to the Field of Resurrection. It will be a fearful day. The earth will be of copper. The sun will be just one mile above the earth. We cannot even imagine the heat of that day. The degree of heat that is felt will depend on one's deeds. Everyone will be worried about their own suffering, that day will be equal to 50,000 years of worldly life. For pious people it will last just a few moments.

---

<sup>1</sup> Out of respect the Awliya Allah did not refer to the Prophet's left hand but to the other right hand.

# Ya RasoolAllah

## **Lesson Forty-Four (44)**

### **Major Signs of Qiyamah**

#### **The great intercession**

In those circumstances, people will look for someone to present their case in the court of Allah Almighty, and intercede for them, they will approach Sayyidina Adam, Sayyidina Nuh, Sayyidina Musa, and Sayyidina Isa (peace be upon them). The people will declare the greatness and dignity of these Prophets and request for their intercession. All of them will proclaim: “We are worried about ourselves. We can’t present your case in the court of Allah Almighty.”

Finally, they will approach Our Beloved Prophet (may Allah bless him and grant him peace). He will announce, “Today, this Rank is only for me.”

He will enter the Court of Allah Almighty and will prostrate in Sajdah before Him.

*Allah Almighty will say, "O Muhammad, Raise your head.  
Speak, you will be heard.  
Request, you will be granted.  
Intercede, your intercession will be accepted."*

Thus he will obtain the release from Hell for all believers.

## **The scale of justice**

This is a Divine balance. All good and bad deeds will be weighted on it. This scale will be unlike the scales of this world. Its plate of good deeds will rise upwards.

## **Lesson Forty-Six (46)**

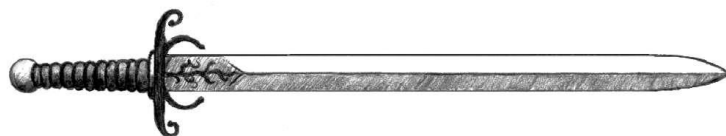

### **Major Signs of Qiyamah**

## **The bridge over hell**

This has been spread over Hell. It is finer than a hair and sharper than the edge of a sword. Everyone will have to pass over it. It will be the only way to reach Paradise. Our Prophet (may Allah bless him and grant him peace) will cross it first. People will cross it at different speeds. Some of them at the speed of lightening. Some of them by crawling like ants. The speed will vary between these two extremes. Some people will fall into hell. Our Prophet (may Allah

bless him and grant him peace) will be present and will be praying for the salvation of his followers.

## **Lesson Forty-Seven (47)**

## **Lesson Forty-Eight (48)**

### **Major Signs of Qiyamah**

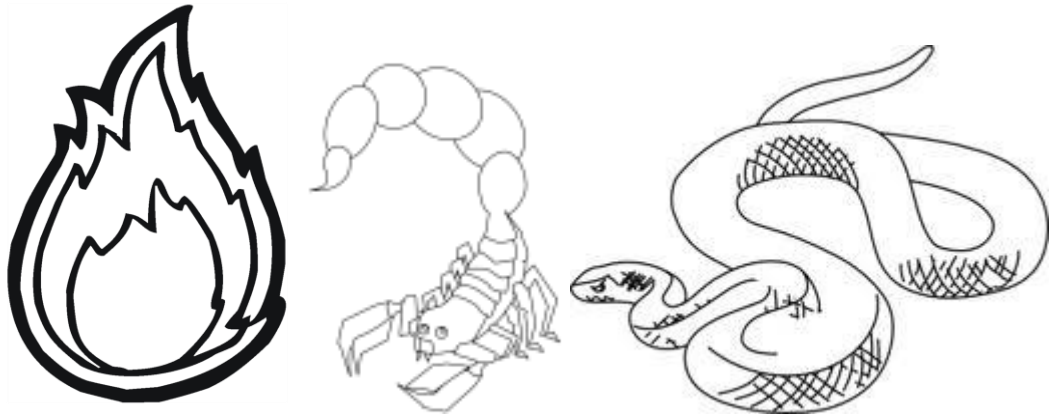

#### **Hell fire**

There will be a punishment of fire and of coldness. Hell will contain snakes, scorpions and poisonous animals. Thirsty sinners will have to drink boiling oil. The people of Hell will be in different degrees of

suffering according to their worldly deeds. Only non-believers will remain in hell forever. The sinners from among the believers will ultimately go to Paradise.

### **Destiny (Fate)** **Taqdeer**

Allah (The Exalted) has the knowledge of everything before its creation.

Allah (The Exalted) has given human beings the will power and the ability of doing good or bad.

Allah's knowledge of what good or bad one would do even before one is created is called Taqdeer or Destiny.

All favours are by Allah's will alone and no misfortune can happen except by the will of Allah (The Exalted).

Therefore we should not despair over any misfortune or boast over any favour. This teaches us that we should be thankful to Allah (The Exalted) for his favours and patients over any misfortune.

# Taqdeer
