30 MORE Days with the **NAMES OF ALLAH**

HOW TO USE THIS BOOK

Assalamo 'alaykum.

I first compiled "30 Days with the Names of Allah" in 2017 and made it available on my previous blog (Islamic Bedtime Stories). This workbook is the second instalment: 30 MORE days and 30 MORE beautiful Names of Allah to learn about.

I designed it to be a resource simple enough to be flexible: primary school aged children, older kids and even adults can benefit. It would be a good resource for new Muslims.

Each page features a different reflection questions at the end; these can be answered briefly in the space available, used as writing prompts or provide a useful starter for meaningful conversations with the whole family, in sha'Allah.

The texts of the proofs (ayaat and ahadeeth) are collected at the end, where memorisation can be tracked.

I initially conceived it to be completed in Ramadan (1 Name per day) but none of the activities in it are specific to Ramadan, so it can be used at any time. I ask Allah to benefit my family and yours through this humble effort.

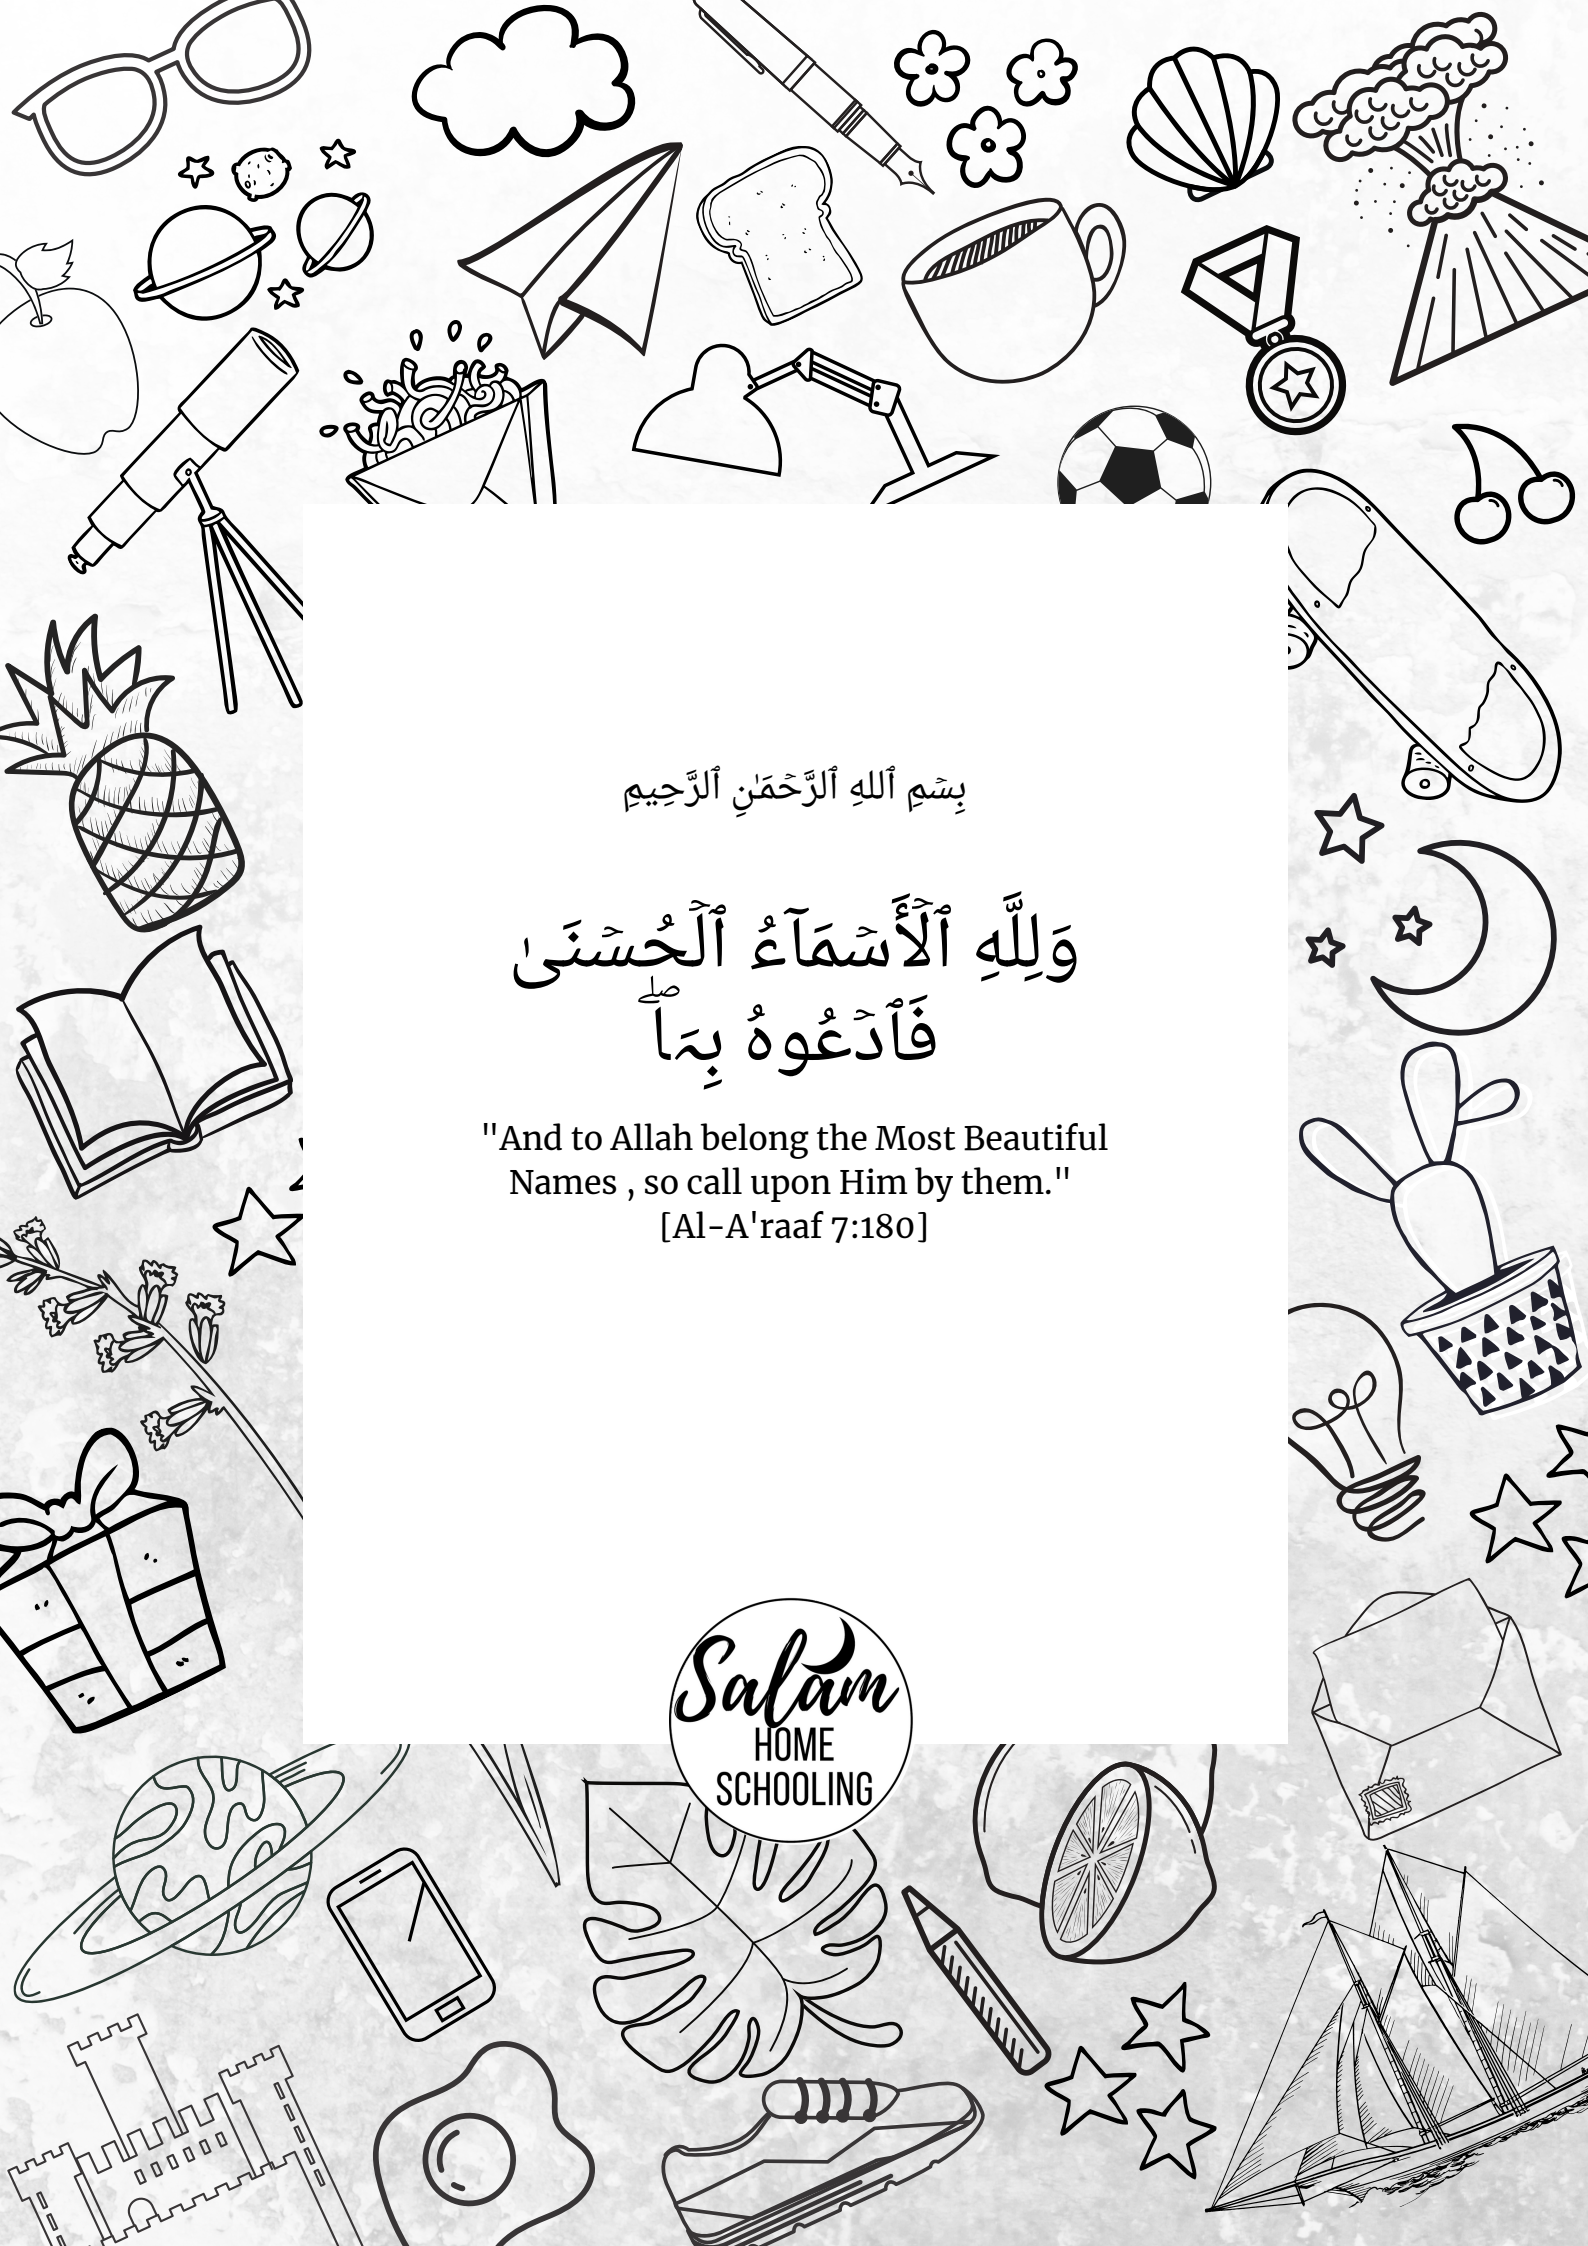

You can share, print and distribute this resource as you want, however please note the following:

You may NOT claim this as your own work, change it, remove my logo/website name, or SELL the workbook (alone or as part of a subscription) or in any way make money from it.

If you wish to TRANSLATE this workbook, please contact me at salamhomeschooling@gmail.com

Having the **CORRECT UNDERSTANDING**

**BEFORE
YOU
BEGIN**

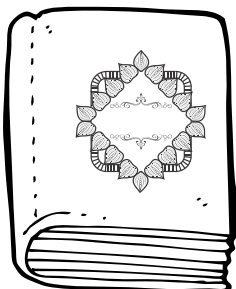

Allah promised us that those who worship only Him will go to Jannah. We cannot be true Muslims and worship Allah correctly if we don't know Allah. But, one might ask:

We cannot get to know Allah the same way we get to know a new friend because we cannot see Him or communicate with Him the same way. However, Allah gave us two very important sources of information that deal with all important topics we need to know about, including Himself. They are:

THE QUR'AN

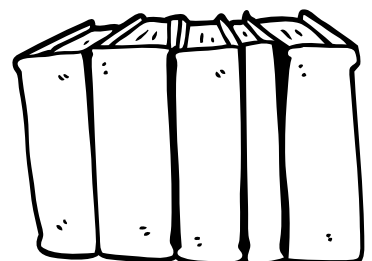

The Qur'an is the speech of Allah and, in it, Allah calls Himself with certain Names.

THE SUNNAH

By Sunnah we mean all the collections of authentic narrations (hadeeth) regarding our Prophet Muhammad (salla Allahu 'alayhi wa sallam).

He explained to the Muslims many things about Allah, describing Him in certain way as Allah revealed to him.

IMPORTANT POINTS

to remember :

**BEFORE
YOU
BEGIN**

**WHO
CAME UP WITH
THE NAMES OF
ALLAH**

Where do the Names of Allah come from?

Allah revealed them in the Qur'an or taught them to the believers through the Prophet Muhammad (salla Allahu 'alayhi wa sallam).

Are the Names and Attributes of Allah real?

YES. The words that Allah used to talk about Himself must be understood with their normal meaning. They are not a metaphor (something that stands for something else) nor do they have a secret, hidden meaning.

**ARE THE NAMES
OF ALLAH
REAL?**

**DOES IT MEAN
THAT ALLAH IS
LIKE US?**

Does this mean that Allah is like us in some way?

NO. Allah is the Creator and He does not resemble the things He created in any way. He is Allah and there is nothing like Him.

Remembering these 3 principles will help us stay upon the

TRUE AND PURE RELIGION

that Allah intended for us. Now, let's begin: Bismillah...

IN SUMMARY

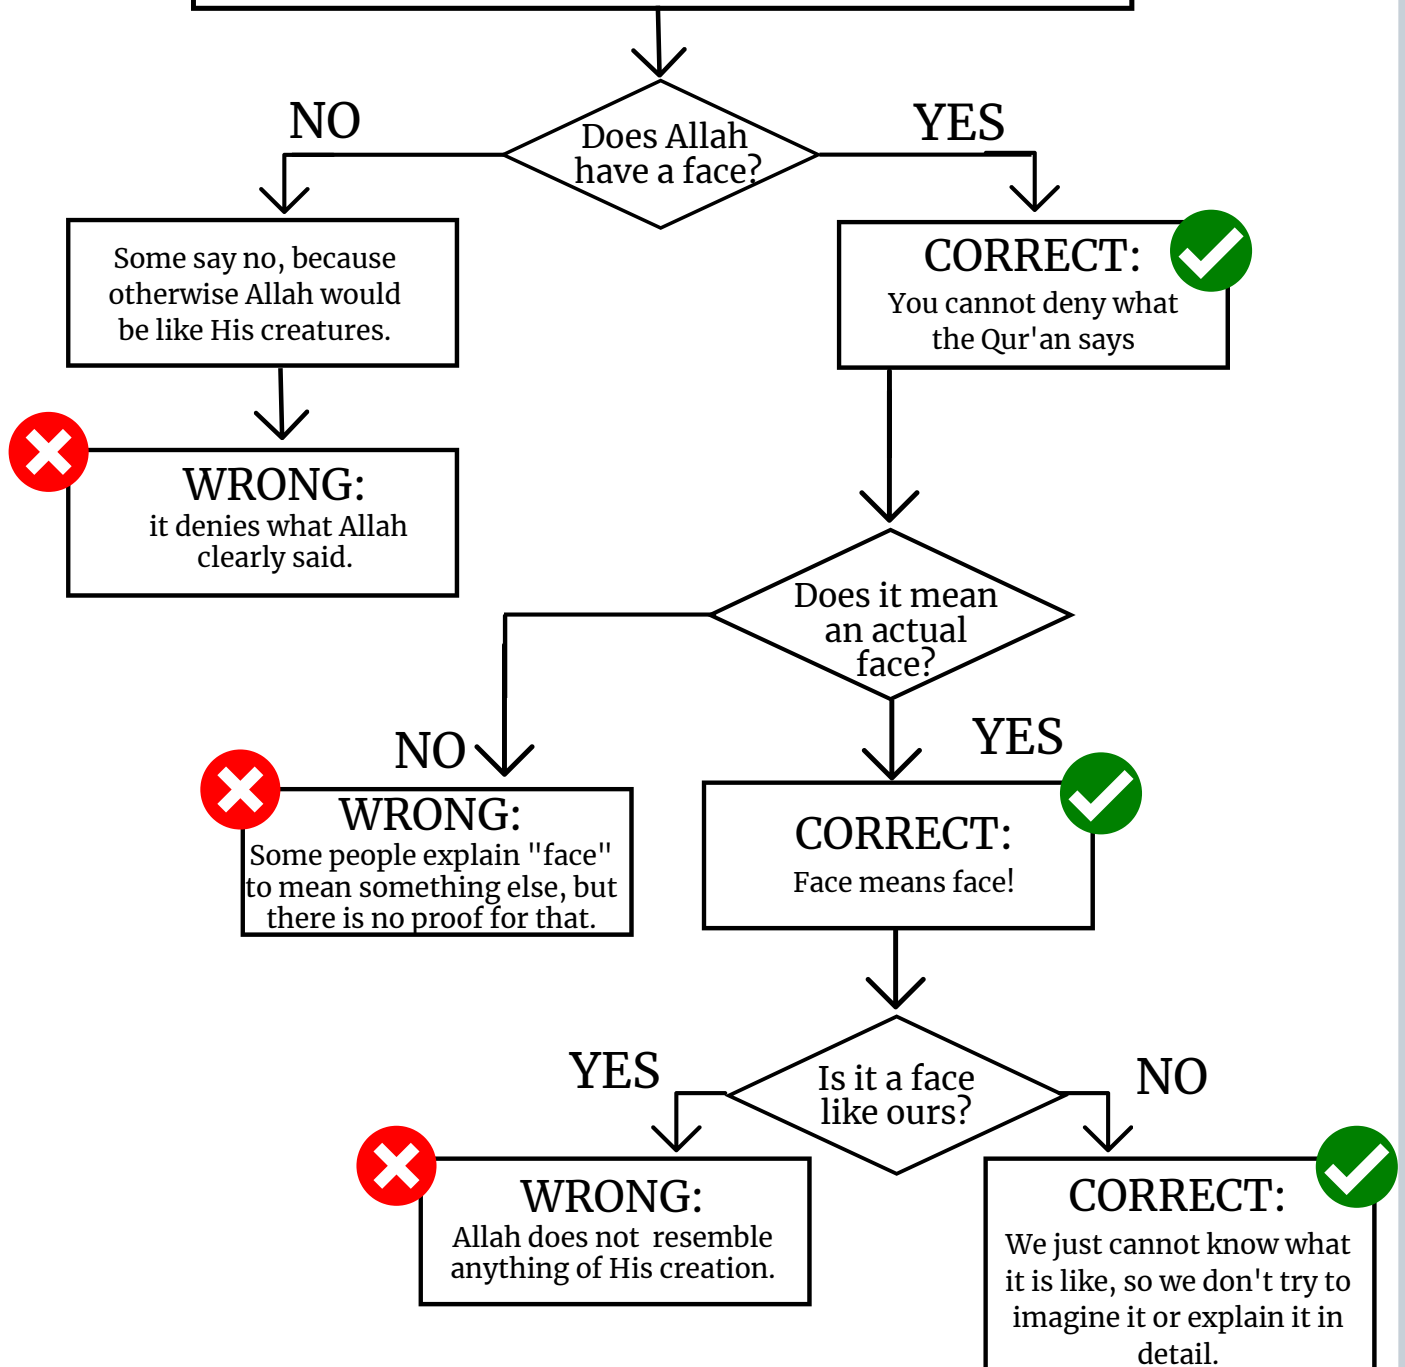

BEFORE
YOU
BEGIN

Below you will find the principles for understanding the Names and Attributes of Allah in action (the example is the Face of Allah, but you can swap it with any of His characteristics established from the Qur'an and Sunnah).

EVIDENCE:

وَلِلَّهِ الْمَشْرِقُ وَالْمَغْرِبُ ۚ فَأَيُّمَا تُوَلُّوا فَثَمَّ وَجْهُ اللَّهِ

And to Allah belong the east and the west, so wherever you turn yourselves there is the Face of Allah [surah al-Baqarah 2:115]

AL-A'LAA

DAY 1

الأعلى الأعلى الأعلى

The Most High

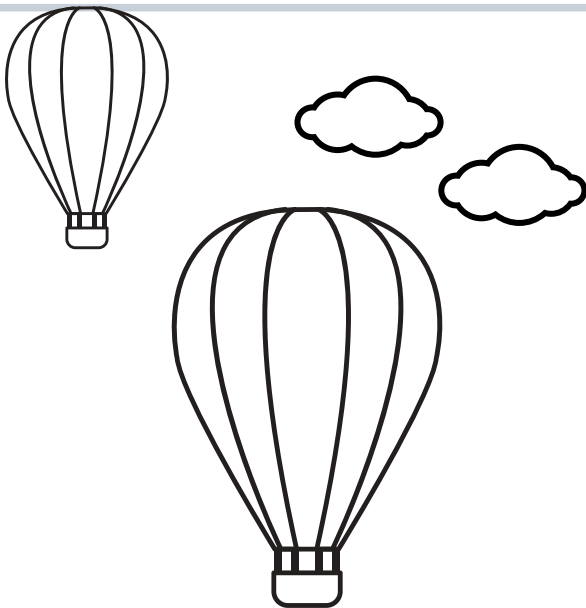

Circle the proof of this Name in the ayah and
copy the meaning in English:

سَبِّحْ اسْمَ رَبِّكَ الْأَعْلَى

Surah al-A'laa 87:1

Allah is the Most High, He is over and above everything. He is the One who has risen over His throne. He has power and control over everything. He is exalted above any imperfection.

Do you know anything about the Throne of Allah? ask an adult to help you research some hadeeth about it.

AL-AKRAM

DAY 2

الأَكْرَمُ الأَكْرَمُ الأَكْرَمُ

The Most Generous

Circle the proof of this Name in the ayah and copy the meaning in English:

أَقْرَأَ وَرَبُّكَ الْأَكْرَمُ

Surah al-'Alaq 96:3

Allah is the Most Generous. He gives His creatures more blessings than they could ever count. He is unequalled in His generosity.

What is the value of generosity in Islam? Do you recall any examples given by the Prophet Muhammad (salla Allahu alayhi wa sallam) of simple ways in which we can be generous?

ADH-DHAAHIR

الظَّاهِرُ الظَّاهِرُ الظَّاهِرُ

The Uppermost

Circle the proof of this Name in the ayah and copy the meaning in English:

هُوَ الْأَوَّلُ وَالْآخِرُ وَالظَّاهِرُ وَالْبَاطِنُ وَهُوَ
بِكُلِّ شَيْءٍ عَلِيمٌ

Surah al-Hadeed 57:3

Allah is the Uppermost, meaning that nothing is above Him. Yet He encompasses everything with His knowledge. He has given mankind signs, and will establish them as proofs against those who refuse faith.

Allah is High above His creation, yet He knows it inside out. Now think about us humans: can we have profound knowledge of something while we are far removed from it?

AL-BARR

DAY 4

الْبَرّ الْبَرّ الْبَرّ

The Beneficient

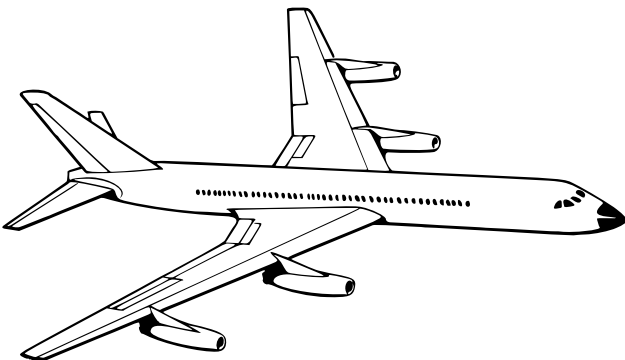

Circle the proof of this Name in the ayah and copy the meaning in English:

إِنَّا كُنَّا مِنْ قَبْلُ نَدْعُوهُ إِنَّهُ هُوَ الْبَرُّ
الرَّحِيمُ

Surah at-Tur 52:28

Al-Barr is the One who treats the creation in the kindest manner. His kind treatment of His creation is ongoing and does not stop. He rectifies His servants' affairs for them and bestows on them His favour in this life and in the Hereafter.

Can you find examples in your life of ways in which al-Barr rectifies your affairs by helping you to be a good Muslim?

AL-JABBAAR

DAY 5

الْجَبَّارُ الْجَبَّارُ الْجَبَّارُ

The Compeller

Circle the proof of this Name in the ayah and copy the meaning in English:

هُوَ اللَّهُ الَّذِي لَا إِلَهَ إِلَّا هُوَ الْمَلِكُ الْقُدُّوسُ
الْسَّلَامُ الْمُؤْمِنُ الْمُهَيَّمِنُ الْعَزِيزُ الْجَبَّارُ
الْمُتَكَبِّرُ

Surah al-Hashr 59:23

Everything in the creation submits to Allah's might. Nothing can resist Him. What He decrees happens. He imposes commands and prohibitions. He is the One who consoles everyone but never need to be consoled. He fortifies the weak and restores the broken heart.

What is the difference between the way al-Jabbar compels His creation and the way people sometimes try to compel each other?

AL-MUBEEN

DAY 6

المُبِين المُبِين المُبِين

The Evident One

Circle the proof of this Name in the ayah and copy the meaning in English:

يَوْمَئِذٍ يُوفِّيهِمُ اللَّهُ دِينَهُمُ الْحَقَّ وَيَعْلَمُونَ
أَنَّ اللَّهَ هُوَ الْحَقُّ الْمُبِينُ

Surah an-Noor 24:25

Allah's creation is full of signs pointing to His existence and those signs are clear and cannot be ignored. Allah's existence cannot be concealed. His right to be the only One who is worshipped is also clear and manifest. Allah shows us clearly the right way and explains the ways of misguidance so we can stay away from them.

Can you think of any of the clear signs pointing to Allah's existence in the world around you?

AL-HALEEM

DAY 7

الْحَلِيمُ الْحَلِيمُ الْحَلِيمُ

The Forbearing

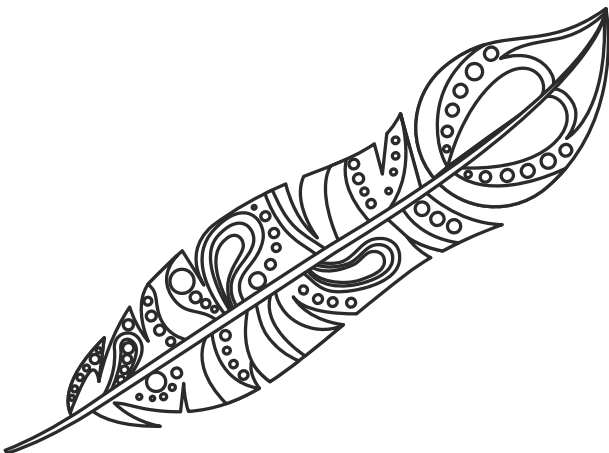

Circle the proof of this Name in the ayah and copy the meaning in English:

لَا يُؤَاخِذُكُمُ اللَّهُ بِاللَّغْوِ فِي أَيْمَانِكُمْ وَلَكِنْ
يُؤَاخِذُكُمْ بِمَا كَسَبَتْ قُلُوبُكُمْ وَاللَّهُ غَفُورٌ
حَلِيمٌ

Surah al-Baqarah 2:225

Allah is the Forbearing, this means that, when we fall into sin, He does not rush to punish us immediately (even in the case of someone committing shirk or kufr); rather, He gives us time so that we can repent. He then forgives and erases our sin.

Allah gives us plenty of chances to repent of our mistakes, when will the time for repentance run out for each person? What should we do to prepare?

AL-HAMEED

DAY 8

الْحَمِيدُ الْحَمِيدُ الْحَمِيدُ

The Praiseworthy

Circle the proof of this Name in the ayah and copy the meaning in English:

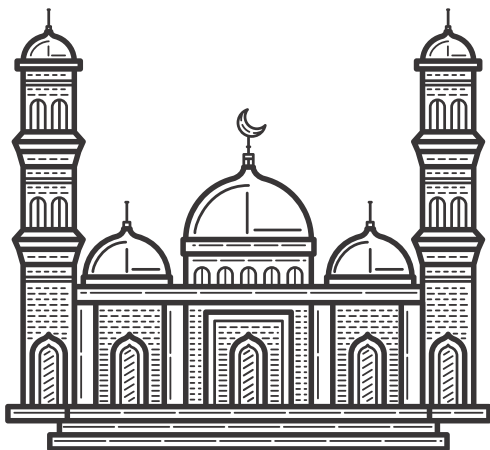

لَهُ مَا فِي السَّمَاوَاتِ وَمَا فِي الْأَرْضِ ۚ وَإِنَّ
اللَّهَ لَهُوَ الْغَنِيُّ الْحَمِيدُ

Surah al-Hajj 22:64

Allah is the One who
deserves all praise.

He deserves to be praised
because He is perfect. All
of his Names and attributes
are perfect. His actions are
also perfect because each is
carried out according to
wisdom and justice.

Why should we praise Allah? What
will we get in return? Which dua'
or expression of praise for Allah do
you know? Clue: it contains some
of the same letters as al-Hameed

AL-HAYY

DAY 9

الْحَيُّ الْحَيُّ الْحَيُّ

The Ever-Living

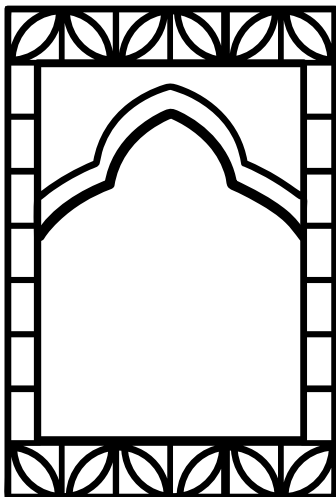

Circle the proof of this Name in the ayah and copy the meaning in English:

اللَّهُ لَا إِلَهَ إِلَّا هُوَ الْحَيُّ الْقَيُّومُ

Surah al-Baqarah 2:255

Allah's life is perfect, without beginning or end. Allah always remains, without ever being born or dying.

Allah's life is perfect and eternal, our life, on the other hand, is not. What are the ways in which the life of creation is deficient compared to Allah's life? Can you see any of the wisdom in them?

AL-QAYYOOM

DAY
10

الْقَيُّومُ الْقَيُّومُ الْقَيُّومُ

The Self-Sustaining One

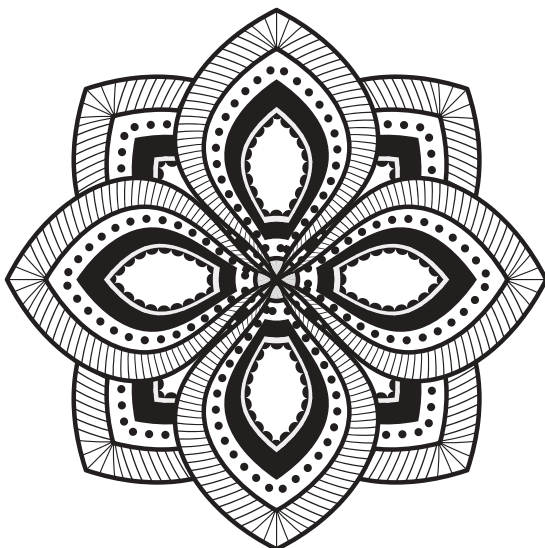

Circle the proof of this Name in the ayah
and copy the meaning in English:

اللَّهُ لَا إِلَهَ إِلَّا هُوَ الْحَيُّ الْقَيُّومُ

Surah al-Baqarah 2:255

Allah is Self-Sustaining, while every creature depends on Him. He has no needs whatsoever, while all of creation is in total need of Him. He is the Sustainer of the inhabitants of the heavens and the earth and He regulates their affairs and provision.

What are some of the things you depend on Allah for this very minute, as you are reading and filling in this page?

AL-KHABEER

DAY
11

الْخَبِيرُ الْخَبِيرُ الْخَبِيرُ

The Fully Aware

Circle the proof of this Name in the ayah
and copy the meaning in English:

وَهُوَ الْقَاهِرُ فَوْقَ عِبَادِهِ ۚ وَهُوَ الْحَكِيمُ
الْخَبِيرُ

Surah al-An'aam 6:18

Allah is Aware of everything that was, is and will be. He knows what will bring harm or benefit to His creature; He knows the state of everything and the outcome of everything. Nothing is hidden from Him, not even the footsteps of an ant in the darkness of the night .

Allah knows how everything will turn out in the future. What effect should this have on the heart of the Muslim and in his or her dua' to Allah?

AL-HAADEE

DAY
12

الْهَادِي الْهَادِي الْهَادِي

The All Guiding

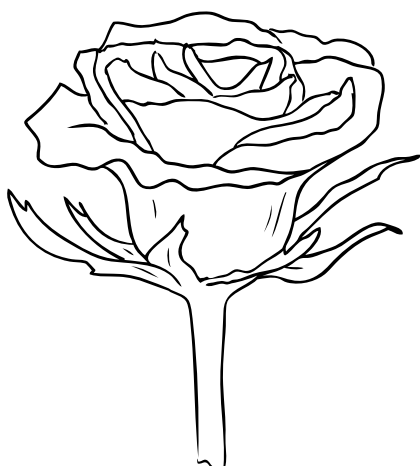

Circle the proof of this Name in the ayah
and copy the meaning in English:

وَكَذَلِكَ جَعَلْنَا لِكُلِّ نَبِيٍّ عَدُوًّا مِنَ
الْمُجْرِمِينَ ۚ وَكَفَىٰ بِرَبِّكَ هَادِيًا وَنَصِيرًا

Surah al-Furqaan 25:31

Allah is the One who guides and directs His servants towards what will benefit them. He guides them away from what will harm them. He teaches them what they did not know and inspires their hearts with taqwa. Allah causes the hearts to submit to His commands and accept the Truth.

List some of the ways in which Allah al-Haadee guides you on the path of Islam.

AR-RAQEEB

DAY
13

الرَّقِيبُ الرَّقِيبُ الرَّقِيبُ

The Watchful

Circle the proof of this Name in the ayah
and copy the meaning in English:

وَاتَّقُوا اللَّهَ الَّذِي تَسَاءَلُونَ بِهِ وَالْأَرْحَامَ
إِنَّ اللَّهَ كَانَ عَلَيْكُمْ رَقِيبًا

Surah an-Nisaa 4:1

Allah is the Watchful
Guardian. He never misses
anything whatsoever in the
whole of creation. Nothing
escapes Him. He is fully
aware of every deed and
thought of His creatures.

Allah ar-Raqeeb is constantly seeing
what we do. Yet sometimes people, even
Muslims, commit sins or crimes when
other people are not looking. Why do
you think that is?

ASH-SHAHEED

DAY
14

الشَّهِيد الشَّهِيد الشَّهِيد

The Witness

Circle the proof of this Name in the ayah
and copy the meaning in English:

قُلْ يَا أَهْلَ الْكِتَابِ لِمَ تَكْفُرُونَ بِآيَاتِ اللَّهِ
وَاللَّهُ شَهِيدٌ عَلَىٰ مَا تَعْمَلُونَ

Surah Aal-'Imraan 3:98

Allah is the One from whom nothing is hidden. He witnesses and sees all things, the apparent and the hidden. He hears every voice, loud or quiet. He has knowledge of everything, big or small, and of what His creatures don't know. He will also witness for or against His servants based on what they did in their life.

When will Allah's witnessing for or against each person take place? Do you know anything about that event? if not, ask an adult to help you research the topic.

AS-SAMAD

DAY
15

الصَّمد الصَّمد الصَّمد

The Self-Sufficient Master

Circle the proof of this Name in the ayah
and copy the meaning in English:

اللَّهُ الصَّمدُ

Surah al-Ikhlaas 112:2

Allah is the Perfect Lord and Master upon whom all creatures depend for every single one of their needs. He is the One who feeds everybody and everything but never needs food. He neither eats or drinks. He is the One who always remains and never passes away.

If Allah didn't give us food and drink, we could never survive. Imagine never feeling hungry or thirsty: it will be like this for the inhabitants of Jannah, yet we know there will be food and drink in Jannah. Why?

AL-QAAHIR

DAY
16

القَاهِرُ الْقَاهِرُ الْقَاهِرُ

The Invincible

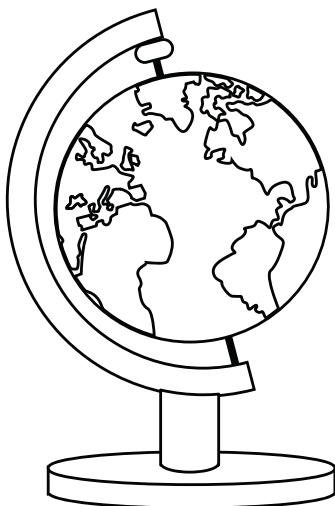

Circle the proof of this Name in the ayah
and copy the meaning in English:

وَهُوَ الْقَاهِرُ فَوْقَ عِبَادِهِ ۚ وَهُوَ الْحَكِيمُ
الْحَبِيرُ

Surah al-An'aam 6:18

Allah is the Invincible Master who subdues His creatures from above, by means of the things they are vulnerable to, such as illness, pain, poverty and death. Nobody can object to His decree, nor change or repel what Allah has ordained. The irresistible power that Allah uses over His whole creation is always according to His Wisdom and Justice.

Can you think of some of the wisdom behind the fact that Allah afflicts some of his creatures with things they dislike, such as illness or poverty?

AL-QUDDOOS

DAY
17

الْقُدُّوسُ الْقُدُّوسُ الْقُدُّوسُ

The Pure and Flawless

Circle the proof of this Name in the ayah
and copy the meaning in English:

هُوَ اللَّهُ الَّذِي لَا إِلَهَ إِلَّا هُوَ الْمَلِكُ الْقُدُّوسُ
السَّلَامُ الْمُؤْمِنُ الْمُهَيْمِنُ الْعَزِيزُ الْجَبَّارُ
الْمُتَكَبِّرُ

Surah al-Hashr 59:23

Allah is high above any
imperfection and far
removed from any impurity.
Perfection is His attribute.
His description is something
that cannot be imagined or
grasped with our senses.
He does not have any
opposites, rivals, wives or
children. He is venerated by
the noble angels.

What do you know about the angels?
What is their relationship to the
humans?

AL-QAREEB

DAY
18

القَرِيبُ القَرِيبُ القَرِيبُ

The Most Near

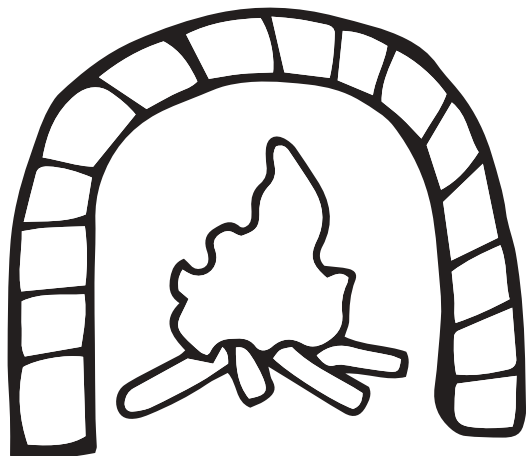

Circle the proof of this Name in the ayah and copy the meaning in English:

هُوَ أَنشَأَكُمْ مِنَ الْأَرْضِ وَاسْتَعْمَرَكُمْ فِيهَا
فَاسْتَغْفِرُوهُ ثُمَّ تَوْبُوا إِلَيْهِ إِنَّ رَبِّي قَرِيبٌ
مُجِيبٌ

Surah Hud 11:61

Allah is the Nearest to His servants. He draws near to those who perform acts of worship sincerely, seeking to become close to Him. Allah is close to their heart. He is close to every person when he or she supplicates to Him. He is Near by His knowledge and awareness, while He is above His throne.

Allah is close to your heart when you supplicate to Him; how does that make you feel?

AL-HAKAM

DAY
19

الْحَكَمُ الْحَكَمُ الْحَكَمُ

The Ruler

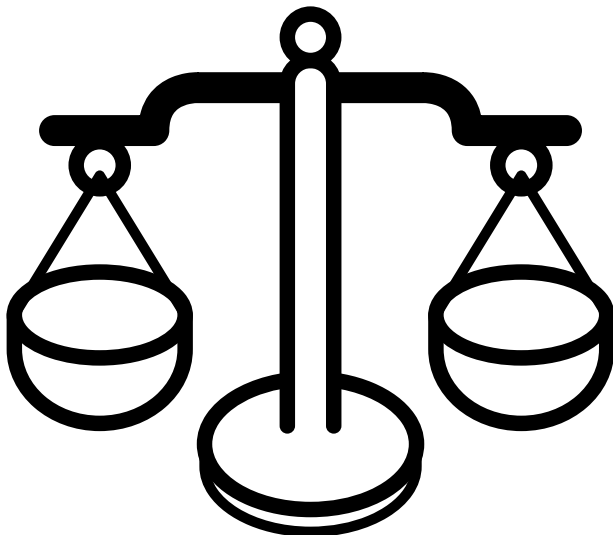

Circle the proof of this Name in the hadeeth:

On the authority of Haani' Ibn Yazeed (rady Allahu 'anhu), the Prophet (salla Allahu 'alayhi wa sallam) asked about a nickname the people gave Haani' (they called him Abul-Hakam), saying:

إِنَّ اللَّهَ هُوَ الْحَكَمُ وَإِلَيْهِ الْحُكْمُ، فَلِمَ تَكُنَّى أَبَا الْحَكَمِ؟

"Verily, Allah is the Ruler, and all rulings are His right. So then why have you been nicknamed Abul-Hakam?"

[Collected by Abu Dawood]

Allah is the Ruler and the Judge. He rules His creation in this world by the laws that He revealed. He will judge between the people in the hereafter by His knowledge of everything we have ever said and done. He establishes justice for those who have been wronged by others in this life.

Choose one of the laws that Allah has revealed for mankind and explains some of the benefits it has for us in this world.

AL-KABEER

DAY
20

الْكَبِيرُ الْكَبِيرُ الْكَبِيرُ

The Great

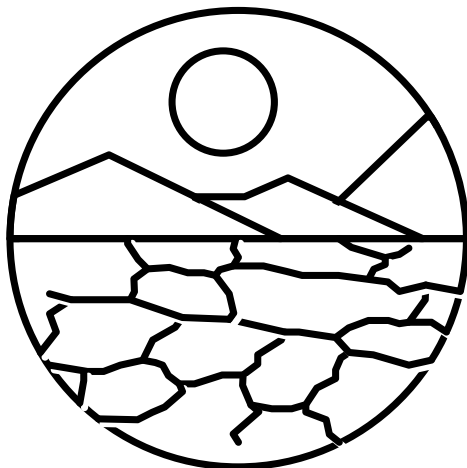

Circle the proof of this Name in the ayah
and copy the meaning in English:

ذَٰلِكَ بِأَنَّ اللَّهَ هُوَ الْحَقُّ وَأَنَّ مَا يَدْعُونَ مِنْ
دُونِهِ هُوَ الْبَاطِلُ وَأَنَّ اللَّهَ هُوَ الْعَلِيُّ الْكَبِيرُ

Surah al-Hajj 22:62

Allah is Great and Magnificent.
He is Greater than anything
His creature can even imagine.
Everything is insignificant
compared to Him. He is
Greater than anything in His
power and might and He is the
only One who deserves to be
worshipped.

We describe Allah with Greatness
multiple times every day in one of our
daily acts of worship. What is it and
what is the meaning of that expression?

AL-LATEEF

DAY
21

اللَّطِيفُ اللَّطِيفُ اللَّطِيفُ

The Kind, the Subtle

Circle the proof of this Name in the ayah
and copy the meaning in English:

لَا تُدْرِكُهُ الْأَبْصَارُ وَهُوَ يُدْرِكُ الْأَبْصَارَ وَهُوَ
اللَّطِيفُ الْخَبِيرُ

Surah al-An'aam 6:103

Allah is the Most Kind to His slaves. He guides them to what is good for them and will benefit and help them in ways they can't even imagine. He guides them to good deeds and righteousness.

Al-Lateef also means the Subtle: the One who know all secret and hidden things and has knowledge of them in the tiniest detail.

What are some of the things that we cannot know, but al-Lateef has full knowledge of?

AL-MU'MIN

DAY
22

المؤمن المؤمن المؤمن

The True, Giver of Security

Circle the proof of this Name in the ayah
and copy the meaning in English:

هُوَ اللَّهُ الَّذِي لَا إِلَهَ إِلَّا هُوَ الْمَلِكُ الْقُدُّوسُ
السَّلَامُ الْمُؤْمِنُ الْمُهَيْمِنُ الْعَزِيزُ الْجَبَّارُ
الْمُتَكَبِّرُ

Surah al-Hashr 59:23

Allah is the True and Trustworthy. He is True to His promise. He does not disappoint His servants. He safeguards them in this world and in the Hereafter. He makes them safe from His punishment. He keeps all of creation safe from any oppression from Him.

Think of the stories of the prophets ('alayhim as-salam) and find examples of when Allah kept His believers safe from His punishment.

AL-MUHEET

DAY
23

المُحِيط المُحِيط المُحِيط

The All Encompassing

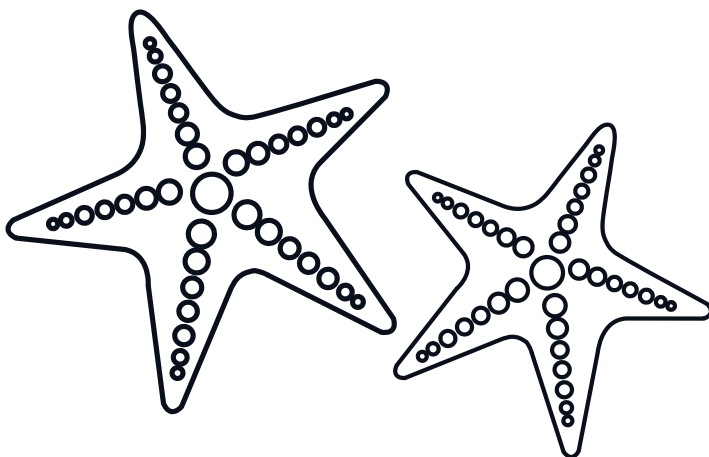

Circle the proof of this Name in the ayah
and copy the meaning in English:

وَاللَّهُ مُحِيطٌ بِالْكَافِرِينَ

Surah al-Baqarah 2:19

Allah surrounds all things with His power and knowledge and has full control over creation. His knowledge includes everything: He knows how many leaves are on the trees and the number of grains of sand on the earth and what is even smaller than that. His punishment surrounds those who deserve it and so does His mercy.

In which way do you think Allah surrounds the disbelievers in the ayah above?

AL-MUSAWWIR

DAY
24

المُصَوِّرُ المَصَوِّرُ المَصَوِّرُ

The Giver of Form

Circle the proof of this Name in the ayah
and copy the meaning in English:

هُوَ اللَّهُ الْخَالِقُ الْبَارِئُ الْمُصَوِّرُ لَهُ
الْأَسْمَاءُ الْحُسْنَى

Surah al-Hashr 59:24

Allah gives everything its form and colour. He fashions His creation however He wishes. He gives to each creature a specific appearance that makes it unique and allows it to be distinguished from all others. Allah creates everything in the correct way and in the correct place. He does so continuously.

Allah created all people, including those with an unusual appearance and those who dislike the way they look. Surely al-Musawwir does not make mistakes?

Discuss.

AN-NASEER

DAY
25

النَّصِيرُ النَّصِيرُ النَّصِيرُ

The Helper

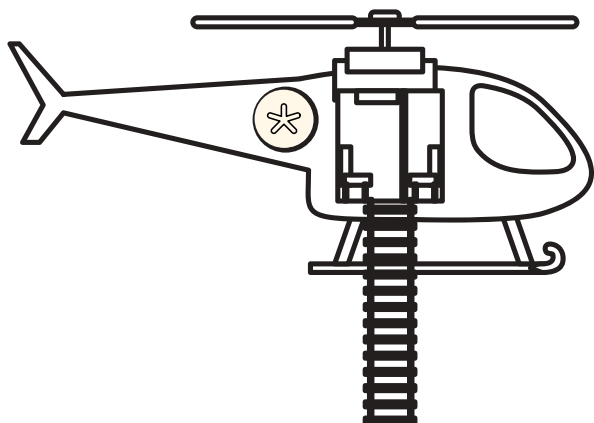

Circle the proof of this Name in the ayah
and copy the meaning in English:

وَإِنْ تَوَلَّوْا فَأَعْلَمُوا أَنَّ اللَّهَ مَوْلَاكُمْ ۖ نِعِمَّ
الْقَوْلُ وَنِعِمَّ النَّصِيرُ

Surah al-Anfaal 8:40

Allah is the Helper. No one can help the way He can. He helps the believers by keeping their hearts firm and casting terror in the heart of their enemies. Allah helps those who aid His religion by commanding the good and forbidding the evil as much as they are able.

Give example of some practical ways in which you can (wisely and appropriately) command the good and forbid the evil.

AL-WAASIP

DAY
26

الوَاسِعِ الوَاسِعِ الوَاسِعِ

The Vast One

Circle the proof of this Name in the ayah
and copy the meaning in English:

وَلِلَّهِ الْمَشْرِقُ وَالْمَغْرِبُ ۚ فَأَيْنَمَا تُولَّوْا فَتَمَّ
وَجْهُ اللَّهِ ۚ إِنَّ اللَّهَ وَاسِعٌ عَلِيمٌ

Surah al-Baqarah 2:115

Allah is Vast in His attributes, meaning that non one can be perfect as He is and deserve as much praise. He is Vast in His sovereignty and power. He is also Vast in the mercy and good He bestows on His creatures.

Allah is Vast in His attributes and in His mercy. Do you know the hadeeth about Allah dividing mercy into 100 parts? Research it and find out what Allah did with them.

AL-WADOOD

DAY
27

الْوَدُّودُ الْوَدُّودُ الْوَدُّودُ

The Loving One

Circle the proof of this Name in the ayah
and copy the meaning in English:

وَهُوَ الْغَفُورُ الْوَدُّودُ

Surah al-Burooj 85:14

Allah loves His believing servants and He is loved by them. He loves the prophets and messengers and He loves their followers. The believers love Allah so much that nothing else is more beloved to them than Him.

Think of one of the things you love the most (it could be a person, an activity or even your favourite food!) what does it mean to love Allah more than it?

AL-WAKEEL

DAY
28

الْوَكِيلُ الْوَكِيلُ الْوَكِيلُ

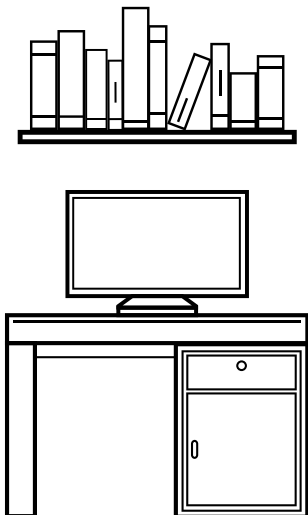

The Disposer of Affairs

Circle the proof of this Name in the ayah
and copy the meaning in English:

الَّذِينَ قَالَ لَهُمُ النَّاسُ إِنَّ النَّاسَ قَدْ جَمَعُوا
لَكُمْ فَاخْشَوْهُمْ فَزَادَهُمْ إِيمَانًا وَقَالُوا
حَسْبُنَا اللَّهُ وَنِعْمَ الْوَكِيلُ
Surah Aal-'Imraan 3:173

Allah is the Disposer of affairs:
All of creation depends on
Him and He takes care of all
their affairs, with His perfect
knowledge and power. He
decides what will happen with
justice. Allah is enough as a
guardian and a protector for
those who put their trust in
Him. He is the best Disposer of
affairs, He always decides
what is best for us.

Mention an example of how Allah is
the best Disposer of affair from your
life, or the life of someone you know,

الْوَلِيُّ الْوَلِيُّ الْوَلِيُّ

The Guardian

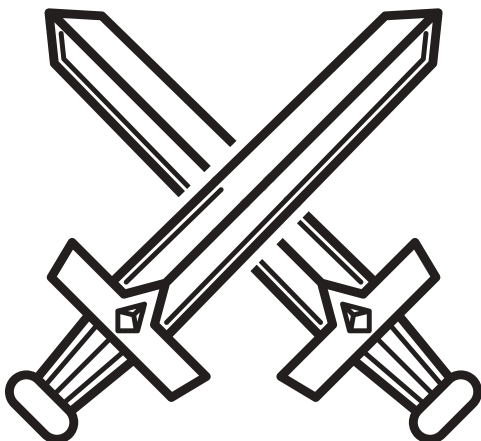

Circle the proof of this Name in the ayah
and copy the meaning in English:

اللَّهُ وَلِيُّ الَّذِينَ آمَنُوا يُخْرِجُهُم مِّنَ
الظُّلُمَاتِ إِلَى النُّورِ

Surah al-Baqarah 2:257

Allah is the Guardian Lord. He provides for, aids and assists all of His creatures. He supports all of creation but has a special protection for the believers. He protects them from their enemies, guides them and grants them success.

Who can the enemies of the believer be? (hint: think of humans and also other than it). What ways did the Prophet Muhammad (salla Allahu 'alayhi wa sallam) teach us to gain the protection of al-Walee against them?

الْوَهَّابُ الْوَهَّابُ الْوَهَّابُ

The Bestower

Circle the proof of this Name in the ayah
and copy the meaning in English:

أَمْ عِنْدَهُمْ خَزَائِنُ رَحْمَةِ رَبِّكَ الْعَزِيزِ
الْوَهَّابِ

Surah Saad 38:9

Allah bestows His bounties
universally and continuously.
He gives them for free, wanting
nothing in exchange for them.
He has been giving His
bounties through the ages to
the inhabitants of the heavens
and the hearth. Only He can
give health, well-being,
guidance and steadfastness
upon His religion to the
believers.

What is the greatest gift that Allah
may bestow on a person? Why do you
think that?

HIFDH LOG

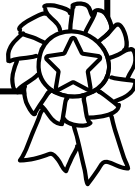

Can you memorise the proofs of the names of Allah you studied in this book from the Qur'an and hadeeth? Colour the ribbons when you do.
