

Chapter Ten

Words of Kufr in regards to Song Lyrics

Important Note:

There are different words that are used in this text such as 'Takfeer' which means it is without any doubt what-so-ever clear Kufr and one will be out of the folds of Islam.

The term 'is a Kafir,' 'will be Kufr,' 'are words/statement of Kufr' and 'is Kufr' are similar, however, depending on the (Urf) custom of the time or environment in the community it could have different meaning, hence, the Fatwa of Kufr will not be given. This can only be done by a qualified Mufti.

These statements are real examples of Kufr that have been said by people from the time of the great jurists over 1000 years ago till today and not made up. All the references have been provided from books of these great jurist.

Watching films and dramas, listening to Music is forbidden and leads to hell. Song writers and singers these days are extremely ignorant; they have even dared to criticize the Creator of the Universe. Those of you who play songs in your shops, restaurants, cars, buses, in weddings, those who sing along without even thinking what is being said, stop and think the poison the devil is feeding you through these songs. I mention some statements of Kufr that have been used in songs:
